_____

Summary

Enthusiastic and dedicated MCS (Master of Computer Science) student with a strong academic background in computer science fundamentals, including programming, databases, and web development. Quick learner with hands-on experience through academic projects in technologies like Python, Java, HTML/CSS, JavaScript, and SQL. Passionate about building scalable, user-friendly applications and eager to apply technical and problem-solving skills in a professional environment. Looking for an entry-level opportunity to grow as a software developer and contribute to impactful projects.

Projects

Matrimonial Website | GTL Infotech Pvt. Ltd. – OJT Project
• Developed a dynamic matrimonial website using PHP and MySQL.
• Implemented features like user registration, profile management, and matchmaking.
• Focused on building secure and efficient database-driven functionalities.

Farmer–Buyer Platform | Academic Project
• Designed a web application to connect farmers directly with buyers.
• Integrated payment system for secure transactions.
• Ensured a user-friendly interface for product listing and purchasing.

Experience

Web Development Intern | GTL Infotech Pvt. Ltd. | Jan 2024 – Mar 2024 | Pune, India
• Developed a Matrimonial Website using PHP, MySQL, HTML, CSS, and JavaScript.
• Worked on user registration, profile management, and matchmaking modules.
• Gained hands-on experience in database integration and responsive web design.

Academic Projects | 2022 – Present
M.Sc. in Computer Science, University of Pune
• Developed a Farmer–Buyer Platform as part of coursework.
• Implemented a secure payment system and user-friendly interface for product listings.
• Worked on projects using technologies like Python, Java, HTML/CSS, JavaScript, and SQL.
